## CONFERENCE

HACETTEPE UNIVERSITY

DEPARTMENT OF ENGLISH  
LANGUAGE AND LITERATURE

*in collaboration with*

THE EMBASSY OF IRELAND

*You couldn't feel any way else at a time like this  
when the spirit of a man is pulsing to be out  
fighting for the throat  
with his feet trembling on the way,  
maybe to the gallows, and his ears straining with  
the faint far-away sound of bursting rifle-shots  
that'll maybe whip the last little shot of life  
out of him that's left lingerin' in his body!*
